\* Changing course(s) is not available after the application deadline.

\* Please note that the courses are subject to change.

## Course Description

4 Weeks

### Understanding of International Relations (IR)

This introductory course covers International Relations theories and methods, providing an overview of international activities, players, and politics at state and local levels. After the course completion, students will understand basic IR theory, enabling them to analyze, critique, and apply theories while exploring its relevance in global politics.

### Sports SCUBA diving and Understanding the Aquatic Environment

This course covers theories and practical skills of skin diving and scuba diving. Students will learn to explore oceanic environments and ecosystems through lectures (1st week) and hands-on training in basic swimming, skin diving, and scuba diving (2nd-3rd week).

### Understanding Korean Culture I

This course helps international students' understanding of Korean culture and customs in depth. Upon completion, students will comprehend key cultural features of Korea and compare its similarities and differences with their own cultures.

## Sailing yacht(Water Sports)

This course provides fundamental concepts of sailing, including knots, boats, and yacht parts. It also covers the theory and history of sailing, with lectures in the 1st week and practical training in the following weeks (2nd-3rd week).

## Global Culture I(Cultural Activities)

PKNU-ISS provides variety of activities outside the campus to help students experience and understand Korean culture.

- Korean Traditional Costume and Manner
- Taekwondo (Korean Traditional Martial Arts)
- K-pop Dance
- Cooking Korean Food
- Making Traditional Korean Alcohol
- Marine Sports in Busan
- Gamcheon Culture Village Tour
- and many more

2 Weeks

## Korean Language

This is an elementary Korean language course designed for those who have no prior (or very limited) knowledge in Korean. The course goal is to provide a basic foundation that will enable students to acquire and develop language skills in listening, speaking, reading, and writing in Korean. Throughout the process of learning these skills, emphasis will be on the student's ability to perform in real-life situations through task-based practice.

## Global Culture II(Cultural Activities)

PKNU-ISS provides variety of activities outside the campus to help students experience and understand Korean culture.

- Dado (Korean Tea Ceremony)
- Taekwondo (Korean Traditional Martial Arts)
- Samulnori(Korean traditional percussion quartet)
- Cooking Korean Food
- and many more

Participants who need a visa will have to make their own arrangements in applying for the visa prior to their arrival here in Korea. Once we received the payment, we will gladly send you a Letter of Acceptance(LoA).

---

## Pukyong National University

Offers the PKNU International Summer School(PKNU-ISS), an outstanding program that brings together students from all over the globe for a unique intercultural learning experience, providing invaluable exposure to Korean culture.

---

## The objective of the PKNU-ISS program

The PKNU-ISS program is a four-week academic initiative that not only allows students to earn credits but also fosters cultural engagement by providing opportunities to explore Korea, particularly Busan. It combines professional development, interdisciplinary studies, and cross-cultural learning, offering a stimulating environment for students to enhance their academic and cultural understanding.
