

Summer course

# MEXperience 2025

## Explore the flavors, history, and modern-day reality of Mexico!

Anáhuac México University has developed this summer program for you, where you will get the chance to explore the social, political, and economic landscape of Mexico to gain full insight into its contemporary challenges and opportunities.

In this course, you will:

1. Gain a deep understanding of the **socio-cultural reality** of Mexico.
2. Get a **comprehensive perspective** of Mexico and its **traditions**, through a theoretical learning and **immersive experiences**.
3. Discover the **essential values** of Mexico through its **history**, **culture**, and **architecture**.
