Course name	Code	ECTS	Level
AI Foundations	M_AIFo	4	Intermediate
SE Practices 1	M_SEP1	4	Intermediate

- ➔ **Courses of the two Schools can be combined**
- ➔ **Some courses might collide when combined – in that case a solution will be found individually**
- ➔ **Some courses may have specific prerequisites – please check the respective course description for details**

* Mandatory course for all incoming students; usually held during the orientation week.

** Once enrolled in this course, students do not have the possibility to deregister because OST signs contracts with companies for this purpose.

*** Highly recommended to students taking the course "Int. Consulting Project".

Please note: minor changes to the course list may occur
